hat if peace was possible?

What if peace was up to each and every one of us?

What if peace was personal?

What if the secret of peace was already inside me?

What if I could learn to get in touch with it

and stay in touch no matter what,

even in the midst of war?

What if the pathway was my own heart?

Would I follow?

What if it was all up to me?

What if a simple link like this would tell me more?

Would I take the time?
